Namrata,

So sorry I didn't reply last week to your email. Have been so inundated. I will continue to work on this. What time frame might work at this point?

Best,
Hillary

Hi Hillary,

Hope you're well!

We've been doing a ton of press on Secretary Moniz's role in the Iran nuclear negotiations (this past week we were on CBS Face the Nation, Rachel Maddow, Andrea Mitchell, NPR All Things Considered, and a number of others) and two New York Times pieces by David Sanger.

- 1) [the No. 2 Negotiators in Iran Talks Argue Physics Behind Politics](#) and 2) [An Iran Nuclear Deal Built on Coffee, All-Nighters, and Compromise](#).

We'd love to come on and chat about it with Jon if you're still interested.

Thanks,
Namrata

Hey Hillary,

Hope you're well. I'm sure things have been pretty crazy over there. Obviously so sad to hear that Jon is leaving.

I just wanted to check in. We understand that things might have shifted a bit since the last time we talked, but just wanted to say we're still extremely interested in being on the show, and would love to keep the conversation going. If you have any further updates, please let me know.

Best,
Namrata

Hi Hillary,

Here are a few options for when the Secretary could come by the show. Would any of these work for you? If not, I can try to free up some other times.

Thanks,
Namrata

Hi Hillary,

Great, we would love to join you! We are flexible with timing, but early to mid-March is best. The Secretary is out of the country from April 12-17th but everything else is movable. I'm happy to chat further by phone on scheduling matters, etc. if that's easiest. Just let me know what works best.

Many thanks,
Namrata

Hi Namrata,

We would love to have the Energy Secretary on the show! Maybe we can talk about doing it a couple of months down the road. Just let me know when you have a better sense of his schedule in March and April, as that would be a good time frame for us.

Also please respond to me directly, and not Jessie Kanevsky. She does not have anything to do at all with our bookings, so I don't want us to keep sending her emails she doesn't need to see!

Looking forward to touching base you soon.

Best,
Hillary

Hi,
I meant to follow up yesterday, but the day slipped away. Just wanted to make sure I got in touch and passed along our interest.
Best,
Namrata

Hi Hillary,

Hope you're well!

I'll circle back on Monday, but just wanted to touch base because we all saw Jon's clip of Secretary Moniz from the State of the Union (.43) and thought it was hilarious. In fact, the Secretary responded via twitter, which has been getting some attention as well: <http://www.vox.com/2015/1/23/7878253/ernest-moniz-jon-stewart>

Just wanted to mention again that he'd love to be on with Jon at some point, and is a huge fan.

Best,
Namrata

Hi Namrata,

I'm cc'ing Hillary Kun on this e-mail. She is our co-executive producer and handles all guest bookings for the show. She would be the best person to speak with.

Best,
Jessie

Hi Jessica--

I work at the Department of Energy Public Affairs, and wanted to get in touch about potentially having Energy Secretary Ernest Moniz on the show. He is a huge fan, and also has a great deal he can talk about regarding climate change, energy policy in the United States and around the world, and why this is such a pressing topic for all Americans.

Can you let me know if there is anything else you need, and I will follow up?

Best,
Namrata
