"... We hold these truths to be self-evident, that all men are created equal, that they are endowed by their creator with certain unalienable rights; that among these, are life, liberty and the pursuit of happiness. That to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed; that, whenever any form of government becomes destructive of these ends, it is the right of the people to alter or abolish it, and to institute a new government, laying its foundation on such principles, and organizing its powers in such form, as to them shall seem most likely to effect their safety and happiness..."

Be it known that: SEN. A. RIBICOFF is being observed.

And ... you are fashioning the bullets that will eventually shoot you down along with the innocents duped and defrauded by your assinine policies, your restrictive pronouncements and inhibiting actions all in direct contradiction to the spirit and letter of the Constitution of the United States of America.
