You have the Calvary in Burns. The NWRs in the surrounding area are "soft targets". Could they do the same at Hart Mt. or Sheldon?

Some of the armed occupiers have roots in Idaho ...

Does the FBI have access in/out of Malheur NWR contained?  
If not, do we know how soon they plan to lock it down?

Please keep me in the loop.

Thanks,

[b](6)(b)(7)(C)  
Ray
