Subject: Bundy

Brendan Cain, BLM Manager, just stopped by and said if anything happens with the Bundy people they will close down (be today, tomorrow, at the rally or) He will let me know if they make that decision. I guess the Bundy group had two meetings in town yesterday. The BLM is going to lock down their compound tomorrow when they close and ask that no employees come there over the weekend (they have the wellness/weight room) on their compound.

The biggest portion of our employees are off – tomorrow Christy is going to come in and we are going to send a text to our employees and alert them to the rally happening on Saturday. It is on the front page of the Burns Times Herald but a lot of people might not see it.

Let me know if you want me to do anything else.

Thanks – Happy New Year!!

Terri
