Hoewan' team really wants press. There is no way we can open this up to press

I reminded them that we have been working with Doug's team, and most importantly Pruitt does not want open press.

Levi Bachmeier

Happy to accommodate the EPAs wishes. 15 + 15 is fine

Right, just the last 15 minutes of the roundtable is what we already told the press

Jahan Wilcox

We can't have anything open
