**Subject:** Pruitt coming to Yerington  
**NV re: Anaconda Copper Mine site**

Hey Ryan –

We're hearing that Administrator Pruitt is coming to Nevada to make some announcements re: the Anaconda Copper Mine site near Yerington and will be appearing with your boss.

Anything you can share with us?

Would appreciate any updates. Obviously, my boss has met with Yerington Paiute Tribe and heard their concerns before.

Thanks,

Laura
