Good to meet you via email, Julie. Apologies for missing your call yesterday! The Administrator would like to talk about a potential business opportunity with Mr. Cathy. Nothing very pressing, just hoping to connect sometime in the next month or so.

Thank you!

Good afternoon Mr. Cathy,

Hopeful this email finds you well! Administrator Pruitt asked me to reach out to you and see if you might be willing to get a time set up for the two of you to have a meeting. If there is someone I can work with to help get that facilitated, I would greatly appreciate it.

Have a wonderful day!
