Mr. Allen,  
Cc All,

Good morning!

I was told by SAC (b) (6) yesterday afternoon that there seems to be some confusion related to whom requested the TSCM sweep? I will be happy to answer any questions regarding this matter but this task came from the Administrator's office.

Also, I've attached some of the email traffic regarding this matter for your review. There are several other emails to include my immediate communication of the request to SAC (b) (6) who provided me with Gail Jefferson's contact information. FYI, Gayle's shop was involved with a similar request which was made by Administrator McCarthy's folks. Ex) In addition, when I communicated this to Gayle, she was unfortunately unable to provide me with a vendor. So I provided a source to Michelle Hale and then introduced Michelle Hale to the absolutely wonderful Donna Jenkins since the payment and process details needed to be discussed.

Please note this was a request from the Chief of Staff to me. So if you need additional details either Michelle Hale can provide them and or I will be happy to do so. Our first stop with the Administrator this morning will end around 0830 hours and I have a small window soon after just prior to taking Adm. Pruitt to Andrews. Nonetheless, I will be happy to address any other concerns or issues in person.

Respectfully,
