Hey man, one of my clients is an independent refiner called PBF Energy. Brendan Williams is the (relatively) new face of PBF here in DC. You prob know him – he was at AFPM for the last 10 years. He met with some folks over at EPA recently regarding point of obligation – Mandy, Samantha, and ???. He'd like to get his CEO in to see the Administrator and I think he's going to work through Samantha who offered to help. I'm mentioning it to you as well in case it comes across your desk.

Thanks, Bro. Johnny DeStefano needs spur that personnel horse over there...
