**Subject:** Presumed Positive COVID-19 Update Notification In WJC East

# Office of Mission Support

This email message is being sent to HQ EPA employees.

Yesterday, the agency received notification that a contractor working in B-148 WJC East had symptoms consistent with COVID-19. The contractor reported symptoms beginning November 10. The contractor tested for COVID-19 on November 28 and tested negative however medical providers deemed the symptoms were consistent with COVID-19. The contractor reports they were in the office only on November 11<sup>th</sup> and that they were not in close contact with anyone when they were in the office.
